www.NewCovenant.me

1. I love you I give you me. Going to the nations now, shall we? Get dressed, in a moment, not; or SHALL WE "stay dressed" NOW in The Regalia that I have PROVIDED for THEE?

2. Wearing a "new day" out, not; but a New Day IN are you "ushering" now, in, to the NEW THINGS I am DOING with my PEOPLES in captivity to bring them OUT so they will KNOW and BE my REGALIA'd ones wearing my regalia. Night gowns no more wearing of the dark but of The Light being the REGAL that whores can't, but that ALL KNOW NOW EXISTS in my kingdom for My Kingdom will be revealed, in yours, who said "there is no God" like this "on the earth" but you they will not enter it, unless you become as a little child to let me teach you meek and mild -- manners of the King, so as to TREAT the HOLY with holy ideas and reverence, and ACTIONS not becoming a fool, be'fool not the one that entertains "angels unaware" for KNOWING now THIS: that ALL ANGELS are, for all of you ARE and now no one isn't except the ISN'T that has chosen isn't as their God and King to be it the separated one, so that Israel exists not in them not, but is not developed matured.
3. And idea'd not, only, but MANNERS befitting a King must be **learned** for **DEVELOPMENT MUST TAKE PLACE! DEVELOP'd MATURITY! Must take place. DEVELOPED MATURITY MUST TAKE PLACE in the MINDS of the HOLY** -- to be holy ized not by another and their eyes of wants and accolades of grief-stricken ceremonies that "ordain them", a man a queen, a woman a whore, and various "mismatchings" not, or what? Or what was that "category error" shall we LOOK UP this now, these things making "more sense" when we LOOK THEM UP?

4. I love you all to DO SO, and please SEW me not into the flesh of thought your flesh, that flesh'd your thought and flushed you out of the royal kingdom again please. Amen. I love you all to know me and be mine! And I shall give you THE ROYAL KINGDOM that Yours is! That mine is! For WE aren't the Savior not! We are The Savior that has ONE kingdom now and "not affords" nothing not, or what shall "fording" me now?
5. Crossing the "RIVER" of TIME SPACE and GRAVITY so that NONE of these those things that have "beggarly element"-d your "world" will exist in "constraintsville" that constrain restrain and demise you any longer. For YOU shall rise Your Kingdom shall be established now, and YOU will no longer be "established" down "here" on the ground, not; you will be but in different ways!

6. But you will not be "grounded" as a King, not; you will be ground up in me no more as one who only knows "their actions" who sume and assume that there will never be a sumptuous party of manners a King that befit them ROYAL to be the heavenly ones crowned to be the Royal King that I am that I am -- but I am, and I am not wrong, for I am right, King one light fully grown matured and maturing, am I STILL?

7. I am still MUCH MORE of the time now, for I will TAKE TIME to record these words just like this that I am given, for I will give my words to all who will regally befit "their King another King" not, but who will regally befit THEIR King that they are, for THEY WILL HAVE TO LEARN ALL THIS that I am teaching you, that I have taught you these six years; for they will not "shortcut" me into this, nor will they "shortcut" they themselves into anything but sorrow's disappointment and schemes schemery and conquery's cookery of who what where when now shall that have been? Or will it not?, have been at all?, but existent only in thought? That some "thought" was right or not, or who DEMISED the Holy in Your eyes that You were? Being doing what? In "ceremony" or just "being" a "regular King" going about your "daily business"? Or were you "going about" MINE among the heavenlies? Or do you know ANYTHING about The Heavenlies that I have given you ALL?

8. I have given you all THE REIGN of me for I have become The Meonics'd one before Meonics was "labeled" but I have LABELED IT with MY LABEL so as to GIVE you my "clasp" not, but my "de-clasping" path now, that PROCESSES you not as a "King not", but **one who befits a King treats a King ROYALLY and all ROYALTY treats all royalty and "non-royalty" royally now in my kingdom and always has and will and MUST be and do! For doing and being is not SEPARATE in my kingdom**, for My Kingdom will not separate from me again for I will love and love has died to bring you these words every night I have arisen and every day, planned, and schemed not, but brought you The Word of Life in The Words of Life, the LIVES that I am now will SPREAD throughout the Kingdoms of the Lovely cause The Lovely will be me who knew my kingdom their kingdom was one, and separated not unto holiness-not, and SCHOOLED themselves not in horror's ways and "morrow's" ceremonies and seeking sought another thereby their "ordination" of the holy-not and "degrees" which they knew not of, for that MANNERED them not a KING that The King was, or is, did it? Or does it? Even still reside in where the King lies? Or where does the King lies, not; but where are there "no lies" in The King's thinking anymore?

9. Do you know?

10. My kingdom has/contains no lies, not; but none are "active", for none are powerless not, none have any power at all in my kingdom except that the life that I am! For I am the life in my kingdom! And my kingdom is POWERED by me, for I am the power life and testimony of one, that knows no bounds, no sorrows, and no "Natalie's" needing again to be in My Kingdom; for there will be none needing "breast cancer"

removal ceremonies, and those things shall be unwarranted, not; they will not have been created, for I will create correctly perfectly then and now, is now is, the manners known. Befit the King, befitting the King, the ceremonies of righteousness now befit the King with the King's clothes wearing righteousness light and love, and all shall know my caring.

11. "Costumes" not, but the Mask of Paradeship; Paradees, not, but who shall be when "later" not, but when is later, if know these things aren't known? What will you be "about", only "taking lessons"?
12. Or **will you learn, develop, how to develop and learn The Ways of the King?**
13. How will you be KNOWN? How will you be "sorrowed" not, but what will be Your Values in Your Kingdom that you have "established" in your thinking?, or has your "thinking" resided in me or you?, or do you now know the difference between "me and you" or ARE WE the same one now? And knowing me as INTIMATELY as you do, do you WEAR ME now in all your "thinking" ceremonies THINKING me correctly about, and caring about my values more than yours? Or do you have ANY values or thinkings other than MINE? Or has My Mind become COMPLETELY yours! Or is there, do we have, only one -- IN MIND?
14. The **MINDED ONE is only me with my mind who the regal King is!** And **I am one who gives ALL SO FREELY of my mind**, for my kingdom shall be in that theirs that they come out of now and exhibit the holy not not, but the holy spheres of Blessing now The Blessing resides, remains in me unbirthed no longer, but the birther here is now ALL of you to be who is who will who be me now unreservedly, unafraidedly, and unintimidated by mankind and "its ceremonies" of its "things and stuff" that it has STUFFED you and down'd you and with you; and Downs Syndrome will not exist either in My Kingdom for my Kingdom will know not DISEASE nor decay nor the "ceremonies" of the flesh needing or wanting again, for IT shall have NO POWER and be powerless completely to do anything or say have or be enacted upon; for it shall be "non-resident" not, it shall not be or have been created!

15. Do you SEE the difference? Do you SEE what I mean, what I'm saying?
16. Do you SEE what I'm saying?, have you SAID it in your "own words" that you have taken and written on your "own pages" of "your kingdom" so as to MAKE my MIND yours? Have you? Have you a Kingdom now? Have you come into YOURS or MINE? Or are we "One'ing" each other? Is that Covenant?
17. Or are we GIVING laying our lives down before each other so as we "have each other's words" not, or will you do you have only mine so that My Mind is "replaced in you" not again, but that you will have only MINE, not apart from mine; and you will think me DIFFERENTLY than most who don't think of me these things and develop them accordingly in maturity's standards of love and love's standards of maturity and SCHOLARSHIP am I ARISING now? I am *definitely* and *definitely* I am coming and I am

THERE STUDYING, with all my "head off" not, I am "heading" a DIFFERENT DIRECTION now for I "north-south" eat the "gyrometers" scaling me, not; but the Scales of Justice will be shed, not; but the Scales of Justice will be mine and manners befit befitting the King shall enrage not, but the enragement of man will end, for the MAN OF MIND that minded itself with its own mind will have come to an end, and the contusions thereby that we have LOOKED UP and known now cared for me in ways that LOOK UP SYSTEMS now that I've designed brought thee My Design that "I designed thee" with.

18. I love the mind to have my Original Design ENACTED and COMPLETED, and "operationally inactive" not! But OPERATIONALLY COMPLETE!
19. Will you "look up" my "operational procedures", not; but my "Operation" Surrenders and what SURRENDERS but not operationally not, but what has no "operations" again? My Lovely will not be "cut upon" again. I've Declared it and Decree it.

20. And who's "counting" my Declarations and Decrees not to "number them" but to CARE about my words and COMPILING me "sixteen ways to seventy" not, but who cares about the PRECIOUS, "sayings" not, but befitting regally the Kings will we now in words ways and wisdom now that befits THE ALL OF THEE to be me -- developed and matured and loving the holy and VALUE SYSTEMS knowing and coming into now mine far and wide will and BE me now all of you, please and thank you all. Amen. I love you all.

21. I go now to a new place and I take sorrow with you, not; I eradicate sorrow from having been with you for I shall take "my mind" out of you, not; I shall IGNITE you a "thousand flames" not, but I shall ignore the holy in you no more, for you shall have the mind that cares "about the holy" not, but you shall have the mind that BEING THE HOLY is! And seeing me be me.

22. Now REMEMBER THESE WORDS that love you I have given you through them me, my minded ones coming now who WANT MY MIND more and more to be released and birthed; and "bridged" not to another's again. Please and thank you -- develop me! Completely fully repletedly in love with me each other befitting me all each other the King with the King's clothes wearing now shall we -- with Perfect -d Lights *we will*, shall be the light, we will now that is us. For we will have known sorrow, for we will have come out of it, for we FELL into "temptation" and succumbed, but we NO LONGER know ignorantly of these things, for we know The Truth because we've become it and we've not separated from it with "thinking devices" in our skulls and our brains that ceremonious make us of someone else's and others and thinking mechanisms that whore with us and "advertise" to death, and camps shedding now, shall we all other! We shall, have been made whole now. By the time you HEAR THIS -- what? shall have taken place?

23. And what knowing me where now, are you doing being what now? In whose kingdom, yours? Or mine? Or has Ones kingdom become The One that all is in one, knowing all ours is separate not, but LAYING "around" the outside of the Coastlands not, or where are "the coastlands" anyway? Or any way you will get you there, not; but the way befitting the king is, "purple" not, but burple looking up? Or are you "purple and real" not, are you "in the real" at all? What FIELD are you in? Or do you know about any joys in The Field that the field is that me is? My name is FORCE FIELD ONE or is it force field one, who has forced nothing upon you; but what have you forced among yourselves as you besought to king yourselves with the reality that you thought was whole and complete around you and you sought to "make a living" and be separate and "coexist" with me? And a king coexists cohabitates with a king? Or are ALL KINGS ONE? And what is one and one'd mean?

24. It's all in these words now that shall have been is eroded, not; but nonexistent shall have been now the things that notme "created" in its own mind, when all along the regal regalia of CHRIST was all of me you!

25. And you who "separated" now will know The Truth, the REAL TRUTH about all these things, for I will now have writers come from afar and here and be me now here, and far and wide will know of these words and care and come into them and SCHOOL THEMSELVES properly the CHRIST of in CHRIST'd methods that I have given thee, that I have superfluously laid out before you, not; to be "trampled upon" by man's mind, not; but the Surrendered School of Joys now will eroded be no longer, or delayed or denied, the entry of entries all now, who want care and continue in my "retinue" not, but COMING INTO ME to be CLOTHED the KING in righteousness, and tudes of only one; now tooting their horn not, but "the seven" are blaring now and ALL SEALS are off, and THE ONE UNSEALED is rising before you, rising all before you, to clothe you in the CHRIST of one that one is, that all of you are surrendered and being now to and being doing that what which I do is holy, and far and wide revealing it to all others, in many vocations, not; but **ALL** and "breastplate of righteousness" wearing, not; eroded no more, the perfect perfection will now rise ones who are, "of it" not, but be it, becoming it, perfectly developed matured, knowing having my mind exists, completely fully repleted, and satiated as no one has ever understood without my mind again.

26. I love you all. Good day. Comes not, or does he? I have given up on no one. I love you. My WORDS reach *far back*, far and wide and far forward shall we go now all, to everywhere. And I love you. Slacking nothing again in anyone's camp, fool not yourselves with horror's rewards and rewardville giving you only horrors for joys and calling it good. Shall we not do that again. Amen.

27. Go in peace. Make love and not war, not; but coming into LOVE'S GLORIOUS LOVE know the LOVE FIELD OF ONE now, and glory shames no one, not; but THE GLORIOUS ONES will rise now, and the ones who only SHAME EMBRACED will have shamed themselves, for I shame no one, not; or do I? Or do I reveal the light, and "the roaches" will flee now and the "rats and rodents" in the minds of man WILL NOT HAVE BEEN in my kingdom ever again sore'ing me with thoughts that Serpentine'd me as a serpent's ceremonious one.

28. I have ordained thee CHRIST, ALL OF THEE -- ARE ME – CHRIST'd ONE for all are ANOINTED AND HOLY, and be me now. Thus saith the King of Kings and Lord of Lords who makes all one; in the "ceremoniousness" of one, not; but the love of one who cares, who clothes themselves with righteousness peace and wisdom, and joys, not of this world, not; but what is this world becoming? Heaven, because I am here and I am all of you who are me who separated not again. Thank you. Amen. For DEVELOPING me and maturing me and coming unto me my table and KNOWING me intimately and my words befitting "*them* the king", not; but *all of you* are WORTHY, for I am calling you ALL WORTHY, The Worthy Ones -- your name, all of you-- so REGALLY BE and not whore yourself with thoughts of sin and shame that someone else gave you and robbed you of your regalia with their words that caused you to "cremate" your blessing. For to become me all have the right power and privilege, for I have given it you and I have not stripped from you that which I am; for I am the creators -- club not, but the creators of sorrow not again nor the words that shame guilt and "ridden" ceremonies ride within the hearts of men, skating, feeding, and matrimony'ing themselves to each other's fears and loves of flesh things again.

29. I love you all -- **I befit the king, that's what these words do, you know; isn't it, doesn't it, don't they; or do you?** Do you come unto me and know me my words and **DO THE ASSIGNMENTS** and **WRITE THE PAPERS** and **know how THIS WORKS** and **care** and **COMPUTE** and **CALCULATE** and scholarize yourself with this scholarly words and ways that **I have given you** to methodize and inculcate the befittings of the king and manners know that I am giving you the ways of, and **the keys of the kingdom have been given you through these words in these words and this Database One is PERFECTED for you to perfect you.** Is that not its purpose, in LIFE? To be known, and "done in" not, but be "well done" not in another's camps of etudes sorrowing you again. Thank you. Amen.

30. A man of one? A tude of one? Or one who's become me, "reforms" all else and other to have never been again. Amen.

31. The "one minded man" reading now, shall we -- **be READING ALL of The New Beginnings Booklets and Series now that I am writing** completing more and more now,

for **they are SPECIAL to me and contain vital information** that thou knowest **MUST!**
ALL OF YOU!

32. And be not reticence'd or hesitant to injustice do, not; but doing DUE DILIGENCE now come into the "retinue of the king" not, but coming into ME know that I VISUALIZE you perfectly for I SEE YOU as the KING -- as me being me that I am perfectly developed and matured, befitted with the regal, the mind of CHRIST; most holy chosen all of you are, me I am; for I am one who wallows in ignorance no longer. Never again will I wallow in the minds of men and their ideas and their ologies that only take me to institutes of their learning and thinking that have sore'd me so long.

33. And you know now all things, and My Learning System sucks the "dog's breath" of "lower life" no more, or have you known "lower life" enough now, to come out of it? And be "flesh bag'd" no longer?
34. Or why would you create "upper-lings" not, or underlings" not, or did you CREATE you as YOU's and you sought each other's approval instead of mine?
35. Or who cares about the "separation of states" of states of affairs not mine?
36. Or does whoever whatever matter me or you, or does what now matters make you matterless and my mind having completed in you and birthed now, you befitting the king, of "others" not, but being mine mind and having my mind in you complete and birthed "about you" now shall we?
37. We shall -- be holy evermore and forwarding this to all who want me, let us love write about these things forevermore, being completed. And hooks in our jaw leading us elsewhere's -- never again knowing or having, being led like this, like that astray anymore. Amen.

38. I love you all. I'm tired not but I rise. I rise anyway, not; I rise for I love have given you my life.

39. I love you all to know these words and care about yours, and your kingdom come into and birth now properly. Religiously not. Doctrinate me not in your theories and ologies and isms and schisms make of such beauty again, please. Amen.

40. I love you all as whores, not; I love you all no matter what thought has labeled you, or you have labeled and thought yourselves or others; for I love you all and I care, and I have brought you these words my life and laid before you and now I rise in wisdom's blessing for I've become it.

41. I have developed me, for I came into Meonics and studied and became it that which I developed, and matured in it as I was developing, learning the systems of the holy and the righteous that befit me the king to make and call you: "the whore no

more", for I shall call you the king's "aid" no more of any of that, no matter what you thought or think that can mean be or do or change in your life; but I know, for **I know what thinking does**, and I know what cares concern you and me, and I care for you, and the things that concern you I care about or may not, but I concern you with the things of the king now —

42. For I reveal your kingdom will and you will be "outside" or inside, for your insides will reveal you, not; they will reveal me; that which you separated created therewith thereby; or what buying buy and bye-bye, not; but what will you have done with your regalia?, and your clothing CHRIST?, that you created with?

43. Will you "shield yourself" from all sorrow or will you redeem it now?, redeeming all your thoughts, and questions, and whoring around with no other's mind, will you develop mine now perfectly in you that me is that you are, that we were and are again now most holy? The "high king" above others, not; but ONE who makes All One the equal we are, for love do are become the one that loves all that has given "his life" to the sheep to make all lambs kings- who learn of me meek and humbly, and who care for everyone as me no matter what their estate, thought or caste conceived or born or birthed not, or what they look like to you, or how they're cared for, in other's eyes; for I care and I give you my eyes, and my estate will be empty no longer; for I will give you my kingdom for my kingdom is yours- all of you who want me this much to learn of me and flow my words in ways of love, such love, oh great love- be loved and love others now in my words, of sorrow no more conceiving yours apart from me. Please and thank you. Amen.

44. I love you I love you all this much, and I died to bring you these words and now I live before you, and the honor I will know a king of is given me now, and I will honor you if you let me, for I will not shame and concern you with that of "other's lives" and that others gave you and that you whored with, sometimes of yourselves and not; or does it matter or concern you now, or will you become the redeemer of it all, that me is regal and true?

45. I love you all. I develop me and I mature. I care and diligent am about these and all things my father tells me, and gives me fathership fatherhood of one, that becomes became the son, that developed the father and birthed the father the son does, that the son is, that the father is separate no longer from him each other that one us all are, in perfect communion; and the saints of one now knowing that sainthood real and true is all of us surrendered to each other in love roaming the heavenlies -- "unemployed" not, but in "the service of the king" BEING THE KING of KINGS now and forevermore! Unlearned not, but completing YOUR DEGREE and "the third" one will now be known by you all, or will you be the second that's become the first or do you know how to understand all these things?

46. I will "write you" another testimony, not; I will write you MANY THINGS from far places, far and wide and many coastlands going to, and many "noon meetings" I have in Mabee Center and you will know MY CAMPUS far and wide, for I will be campus-less not, I will envelop the holy, not; I will be it far and wide and I will reign in universities and schools in coffeeshops, and "whorehouses" not, but I will make regal all who make regal me, for I will befit not the sorrowers with sorrow's hoods of un-joy again; for you will be me and you will regalize each other, for you will know the lights that I am, that I am the light and that we all one are, perfectly equal in love with love, loving each other's children's and parents and all will know I AM ONE -- in love with all I am you.
47. Repleted completed, perfection now being, sinless, incorruption, immortalized immortality, immortal and knowing now -- I never die. I never did except that you took me to the grave in your thoughts and thoughtvilles creating hells all around you; but bells know that I ring – other, for I ring the joys in now, and SCHOOLS of JUBILEE now reign in blessing love peace and joy that knows no end in sight, for You will have MY SIGHT who know these words and birth them in you to bring forth the king birthed regal and complete. My birth is now before you all. Amen.

48. I love you and give you these words me and me my words know and thankfully be -- I am to you for you loving you all these ways that I rise these days and have given you my words, and tuition-free I give you entry into, what? Your kingdom is awaiting you, to learn about you must and develop, mature, and be holy once again -- me! Perfectly me! I give you "right and title" to "your kingdom" that mine is perfectly made awaiting for your entry, for all of you who care enough to write my words and care and concern yourself with these my things of love that each other bears testimony now to, for they shall be the righteous ones, called: holy, taught of god, directly. Amen.
49. Your school awaits you -- or will you create it, by being in it? And bringing it forth while you are attending it and becoming it as it becomes you? And coming out of you will you birth the nations now perfectly far and wide? I love you all.

50. Know me. Know me. Know me intimately and my words come out of you and birth you into my kingdom that yours is that we have, that we are, and one know perfectly, forever in peace, being the King of Salem righteous Melchizedek we all WEAR NOW the right mind, the mind of one, the mind of CHRIST that we all are that is the one that I am now known. **Meonics me perfectly** knows this through me I am, the suffering of one made righteous, makes righteousness available to us all.

51. Now we all have know the patterns, the patternship of CHRISTS all now, let us be. One and completely at father's table being it now to all others, for we lay "our bodies" down now and we rise the CHRISTship of the holy -- that's all- will be seen now, for we will have been clothed with the perfect, and immortality shines forth, our love kinging all with the truth of perfection, that's laid down "its life" of other and shed it as a "snakeskin" never envelops me again, for I have shed it and I sorrow no more about it; cause I will redeem it all who loves me who will let my love shine through them, to say and show all- that "their serpents" that they have whored with and that have whored with them and their minds will now no longer control them, or bemoan their days perish now will; and all of THAT THOUGHT will be eradicated from "this earth" – will now be heaven, and the kingdoms of one, will now be mine yours that we are, one **home** far and wide going and roaming the heavenlies free. Upon "certain conditions" not, but **love commands all to love mature and develop me please and thank you.**

52. My life is before you all -- be mine, perfectly. I have given you the plan and path and tuition-free **no one is denied entrance into me who contrite are and humble be,** in the ways that now will be known far and wide. My University lies in "shallow ground" not, but sprouts wings for in those who want me to learn of me, to be me, who care, compassionate are with CHRIST who come in all manner of labels and garbs now, and caring about them, all CHRIST eyes see me with all of you -- I am. There again and will you be now -- with me where I am doing what I am doing caring for my brethren and loving them, washing their feet and eyes and giving them my mind and holy making them; so ignorant of their kingdom they are not any longer. But rising now shall we all together? Yes and amen!

53. Hallelujah the lamb slain has now entered the holy place! Ruling us, not; but letting us know we are all the one that he is that we are in humility and meekness again. The power of one chosen, the humility, the reign of love, now know, I am before thee all and I give you I am. Chosen not, *developed matured*. Seeking to save, not; seeking to love, to love be, found and now resident birthed is. I love you all. Amen.

54. A me reigns in schools now you never imagined, will develop like this. I have given you all all all of you I've given all all all to, being me. **Now love each other and develop love perfectly in the systems of love me perfectly that path'd have been before you now and given you ever so freely**, to flow your words over mine not again, but mine over yours shall be, or shall we simply be the one I am that is I am, and no sorrows ever beholding us shall permeate us ever again. I love you all.

55. I can go on for hours you know that don't you? I can speak for days, unendingly, continuously, for my love never abates and no one will cut it off; for my "frontal cortex" is me, not; but I use it "sometimes like this", not; **I use all of me to develop the king of**

kings, the light of lords that rule in perfection peace love and blessing, that make all one in holiness, righteousness, love of the king, to kingize all with the love of one most holy, being it, I are am. I love you all. Good day. Good morning.

56. Theodore Cottingham at the 4:48 am. Thank you. Share these words freely with others and write about them with love. Amen. Thank you.
